

Country house for sale in Arenys de Mar with views of nature

Ref: PH103324

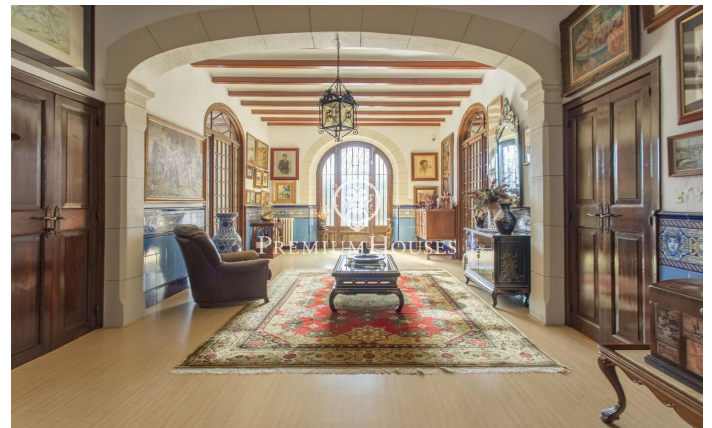

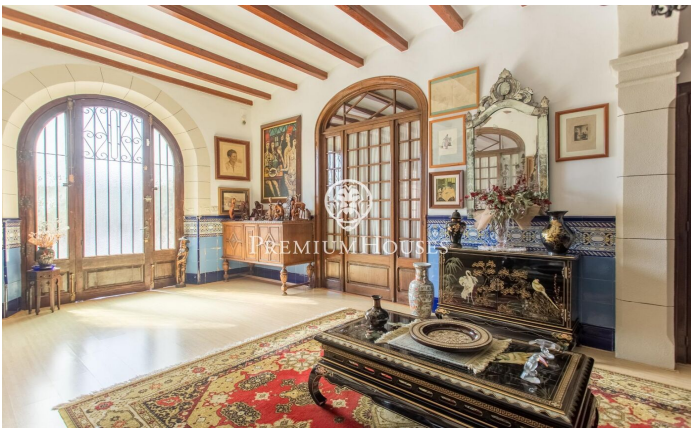

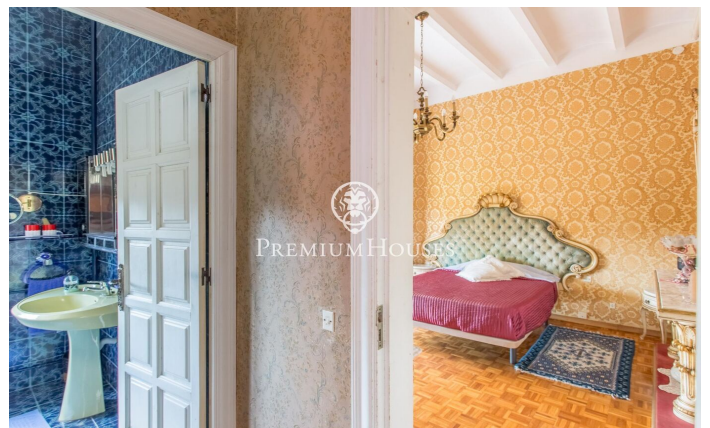

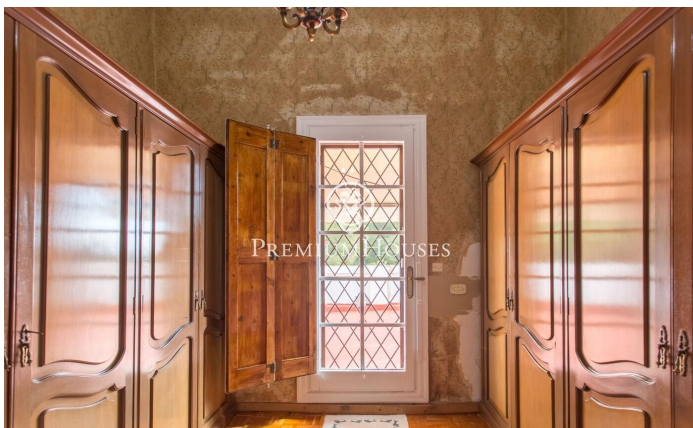

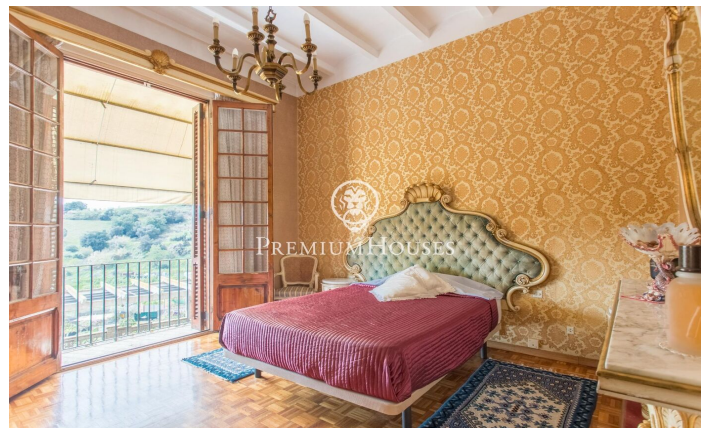

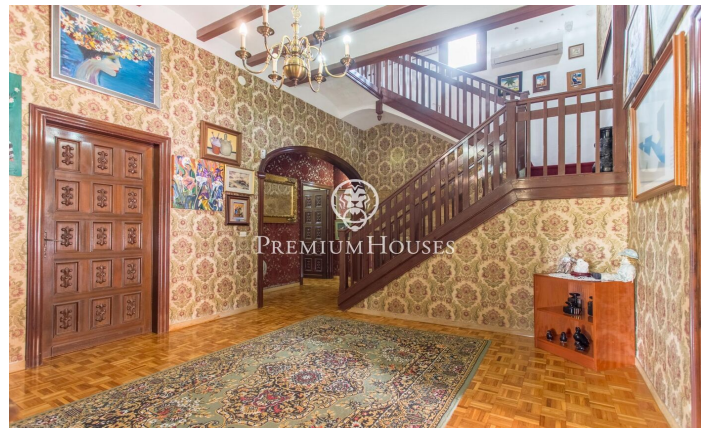

Arenys de Mar / Maresme/Barcelona Costa Norte

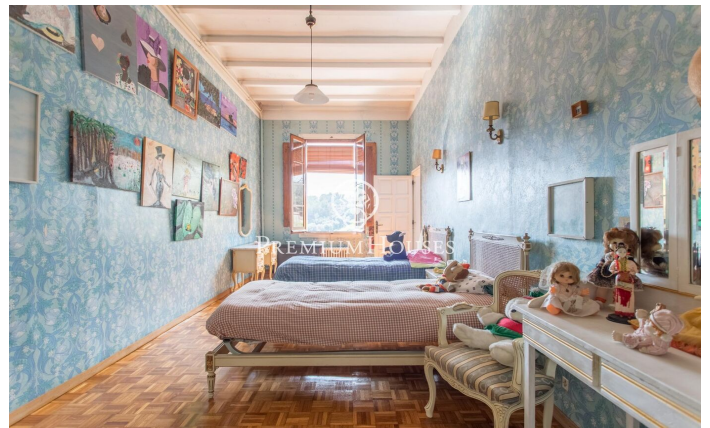

In a natural setting, but only 2 km from the coast of Arenys de Mar, we find this magnificent farmhouse in its original state, surrounded by a beautiful garden, fruit trees and ample spaces perfect for a vegetable garden. The property has a magnificent porch, a wine cellar, a farmhouse area to be restored and spacious rooms with views to the mountain. On entering the house, a large hall gives access to a living-dining room with fireplace, connected to an independent kitchen, as well as to two large double bedrooms. The kitchen also leads to the wine cellar, which has an independent entrance, and to the service area or masoveros. On the upper floor, in the night area, we find three suites with complete bathrooms. Two of them have access to a terrace with mountain views, while the third has a small balcony with lateral views of the garden. On the top floor, a fantastic hall, which is currently used as a living room, gives access to three double bedrooms, one of them with access to the tower of the farmhouse, from where you can enjoy spectacular views. This floor also has a complete bathroom that serves the whole floor. The house, with its wooden beamed ceilings, the high room heights and the multitude of spaces, offers great potential to be converted into a small country hotel...
