

Plots for sale in the centre of Cabrera de Mar

Ref: PH102552

Cabrera de Mar / Maresme/Barcelona Costa Norte

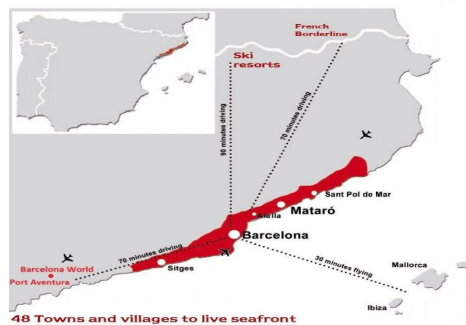

The town of Cabrera de Mar, located in the Maresme region, combines sea and mountain with a great richness of landscape and history. Its strategic location made it an anchorage point in antiquity, and for that reason we find unique Ibero-Roman archaeological sites and one of its most outstanding symbols, the castle of Burriac. Nowadays, its excellent connection with Barcelona together with the tranquillity of a small village of only 5.000 inhabitants makes it a very valued and sought after village. In the centre of Cabrera, we find these 2 plots of 314m² and 297m² respectively which are sold together. They have an excellent location and enjoy privacy and at the same time are located in the centre of the village. Unique opportunity for location and price. Do not hesitate to contact us to see them.
