

Wood Country style House in Barcelona Coast

Ref: PH102953

Mataró / Maresme/Barcelona Costa Norte

For those who love the warmth of wood and the most welcoming environments this house offers this Nordic flavor attached to the landscape and magnificent views of the sea. Surrounded by a large garden with typical Mediterranean vegetation and a fantastic pool. The house has spacious rooms distributed on two floors. On the first one a large lounge leads to a large kitchen and in the same area is a guest bathroom and two bedrooms on this floor, one en suite. On the first floor, there are three bedrooms with a bathroom that. It is well communicated by highway C / 32 towards Barcelona. It is close to the shopping center, schools, health center, etc.
