

Beautiful designed House in Premia de Dalt

Ref: PH102213

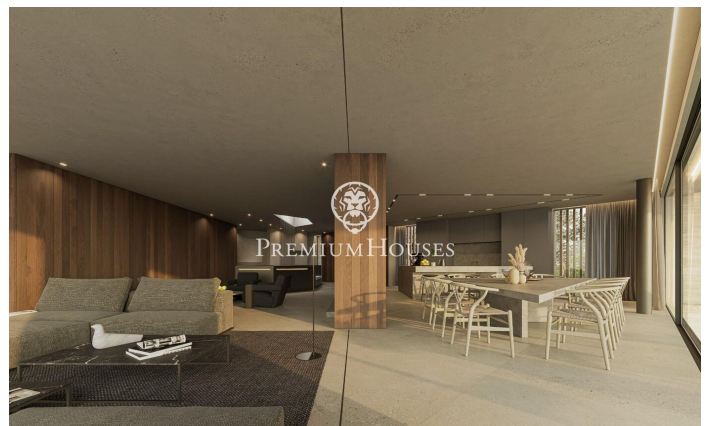

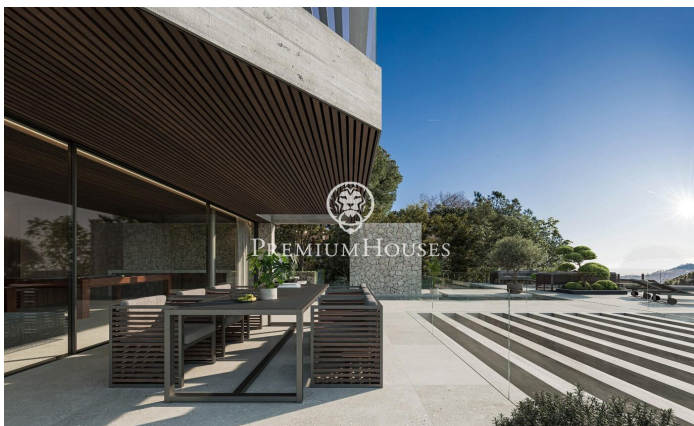

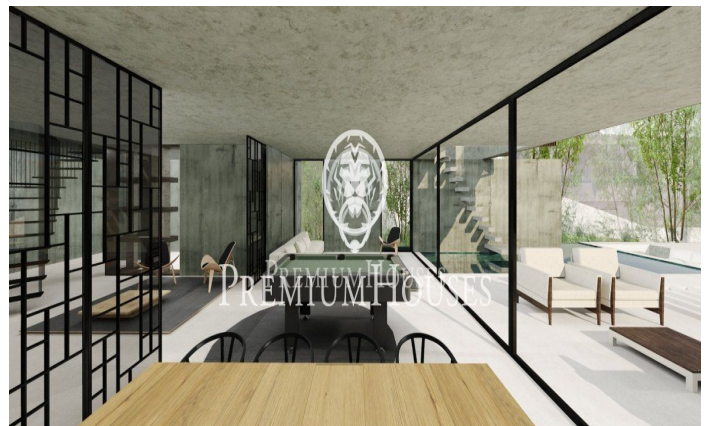

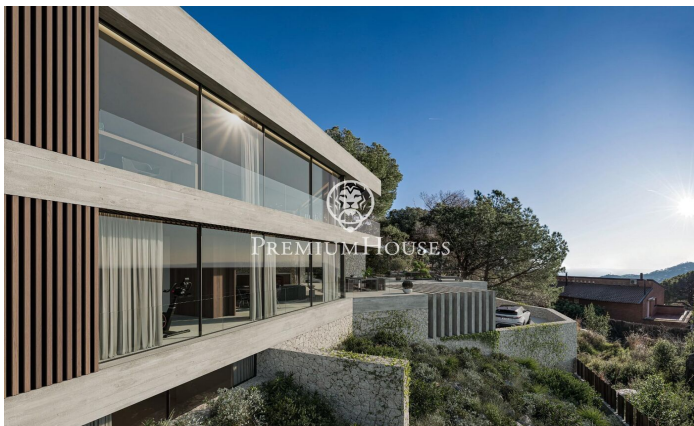

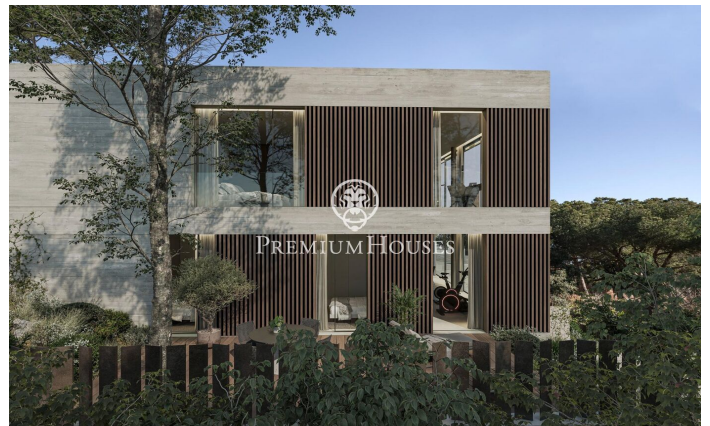

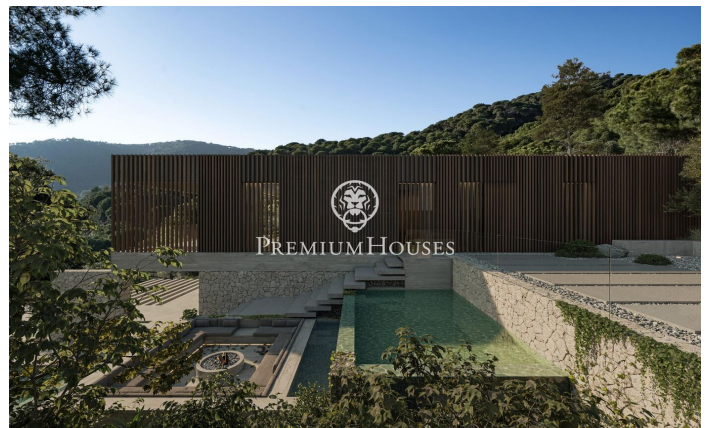

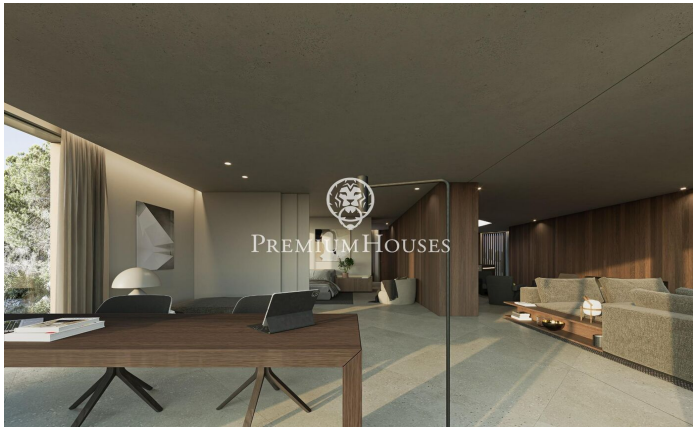

Premià de Dalt / Maresme/Barcelona Costa Norte

We present to you a beautiful work of art, where you sit in nature with the comforts of the most modern techniques and elegance. This gem is in the romantic village of Premia de Dalt, where you will find tranquillity with coziness. The house has a distinct design, which blends beautifully with the nature around it thanks to the combination of materials of wood, stone, and cement. Every piece of the property has been designed with attention to the finest detail and with the highest quality. From every design window, you can enjoy the Mediterranean sea and the nature park Serralada litoral. There are 6 spacious bedrooms, 4 of which are suites. In total, there are 7 luxury bathrooms, where again everything is based on detail and quality. The three-story house also has a lift to get everywhere with ease. This work of art offers not only comfort and luxury but also a fireplace to enjoy cool evenings and a sauna, as well as a lovely swimming pool for hot days. The beautiful wooden floors have heating and cooling in them. The house is built to be economical in electricity costs. The house will be ready in July 2025, do not hesitate to ask for more information.
