Extraordinary country house in the area of the major farms of San Andreu de Llavaneres seduced by the exclusivity of this location and the wonderful views that provides the property. An idyllic setting offering complete privacy and a superb plot practically flat from where you can enjoy the Mediterranean coast and the lush forests of the area. A heaven of peace and tranquility. The property is distributed almost on one level except for the master bedroom that is on the top floor. The entire facade is glazed with large windows that correspond to a large living room plus a home office. In the back of the house is the kitchen with separate bedrooms plus the other ones.
