Sant Fost de Campsentelles / Other locations

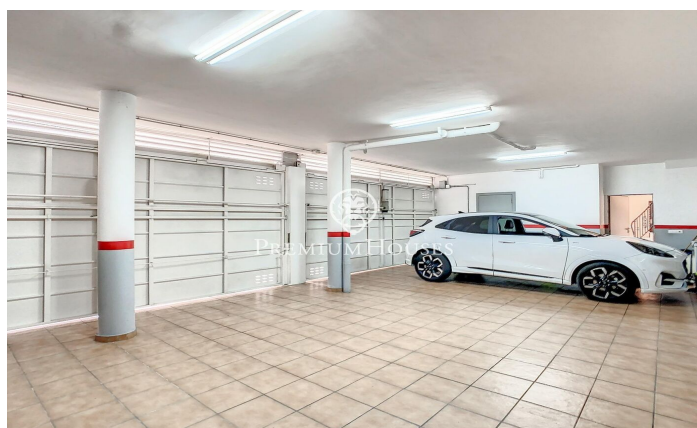

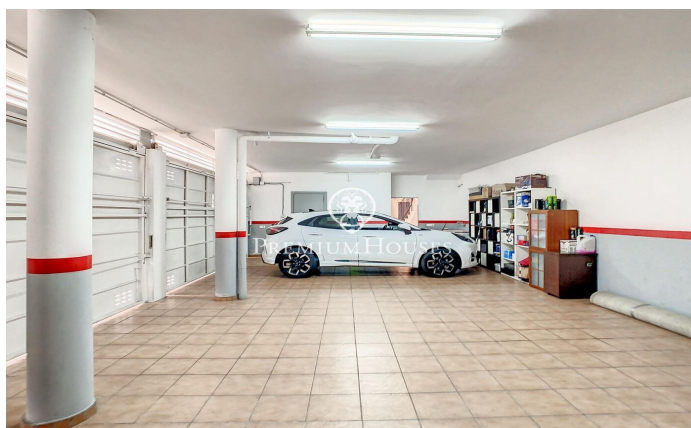

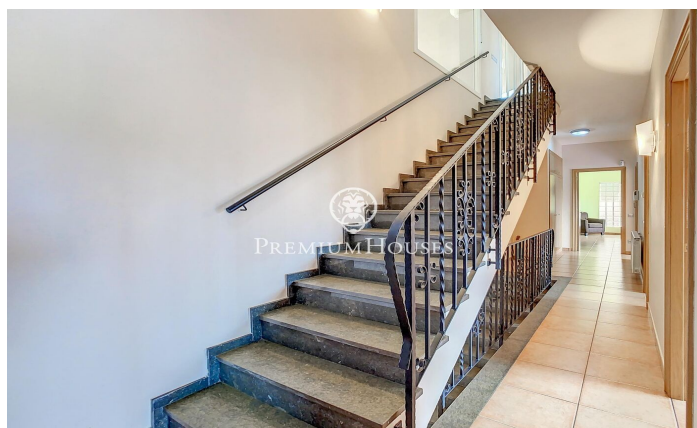

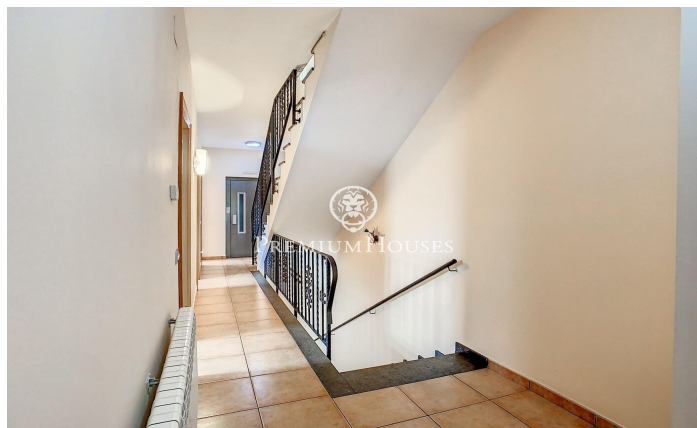

This impressive three-story property has an exceptional layout and features. Let me introduce you to its main attributes: On the first floor, as you enter the foyer, you will find a spacious garage with capacity for four cars, equipped with automatic gates for convenience and security. In addition, this floor houses a machine room, where the heating and diesel oil supply are located. It also has an elevator, which facilitates access to all areas of the house. You will also find a double room on the ground floor, perfect to adapt it to your needs. The stairs or the elevator connect this floor with the rest of the house, ensuring complete accessibility. On the second floor, you will discover four spacious bedrooms, each with built-in closets for organized storage. In addition, this floor features a full bathroom with a bathtub, one of the en-suite bedrooms including a modern walk-in shower. Ceramic tile floors and double glazed aluminum windows provide style and insulation in every space. For your comfort, this floor also has air conditioning, ensuring an ideal temperature at any time of the year. The second floor of this house will surprise you with a cozy living room equipped with a charming fireplace, perfect to enjoy relaxing moments with the family. In addition, you will fi...
