

Design and sensibility. Spectacular house for sale in Sant Vicenç de Montalt.

Ref: PH102097

Sant Vicenç de Montalt / Maresme/Barcelona Costa Norte

An incomparable house that cannot be described in words alone. With a concept of luxury that is based on the details of every corner and the invisible elements that determine its personality, its character and the comfort for people. A carefully designed set of architectural platforms distributed around the perimeter facilitate all accesses while creating unique spaces to make the most of outdoor living. The design of the volumes combined with the careful lighting allows the architecture to be transformed and makes it possible to enjoy two totally different houses. By day we find a very luminous house that allows us to see the strong personality of its façade and all the nuances of the excellent materials used. When night falls, the exterior disappears, it is time for the warmth and wellbeing of the interior. To complete the unique character of this property, its 2.000 m2 plot is located in an idyllic setting, in a very quiet area with a well-kept environment flanked by golf courses, and with the beaches only 4 km away. As we have already said, this property cannot be described in a thousand words, nor even in a single image...we needed 100. Start enjoying them!
