Ref: W-01J6KC

### **Sant Vicenç de Montalt / Maresme/Barcelona Costa Norte**

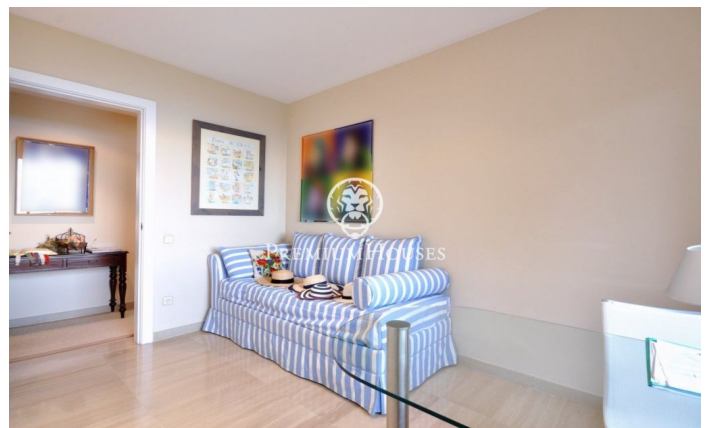

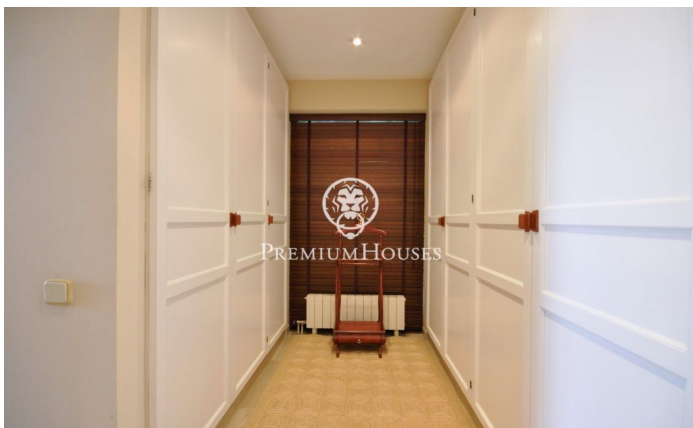

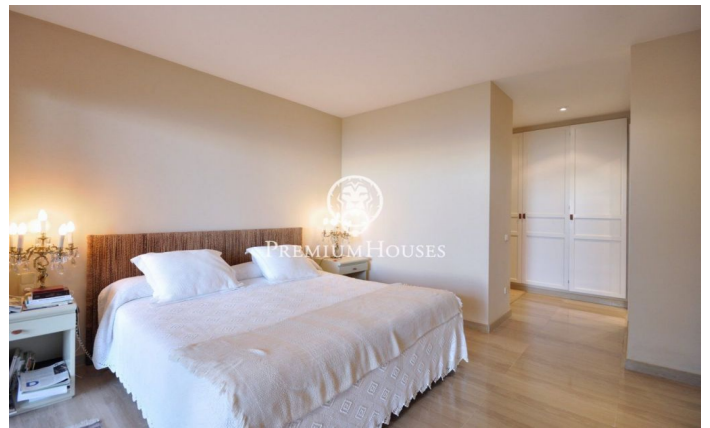

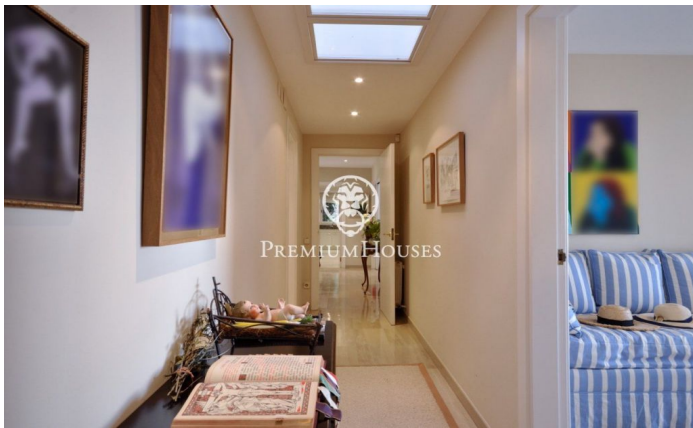

This magnificent property is situated in one of the best areas of the Maresme Coast, "The Supermaresme." It is surrounded by wonderful gardens, sports fields, golf courses. Due to its location the house has one of the best views of the open sea. The architect has designed a Mediterranean style house with spacious rooms, drawing light and sea as protagonists. It is divided into two floors, the first a large living room with direct access to a large terrace surrounding the house, along the same is opened a large kitchen with service area, at the other end but on the same floor, there is a large suite with access to the terrace, a dressing room and a large bathroom. On the second floor, we have a more casual room, perfect for summer parties, as it opens directly onto the garden with direct access to the large pool. On the same floor are arranged four bedrooms with three bathrooms. The house has a garage for four cars.
