

Privacy, Design and sea views - Bcn coast

Ref: W-01Q8CF

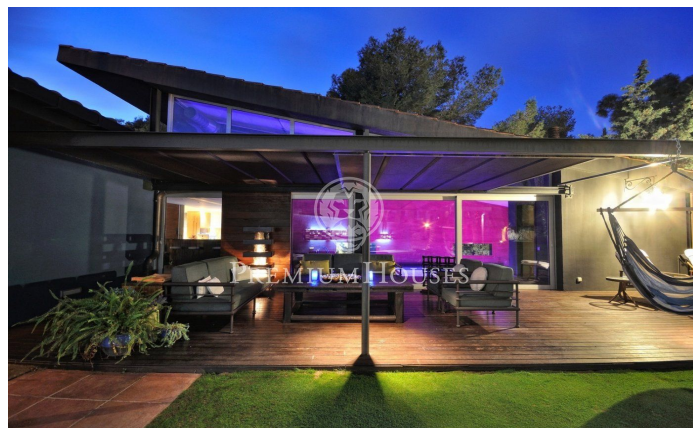

Sant Vicenç de Montalt / Maresme/Barcelona Costa Norte

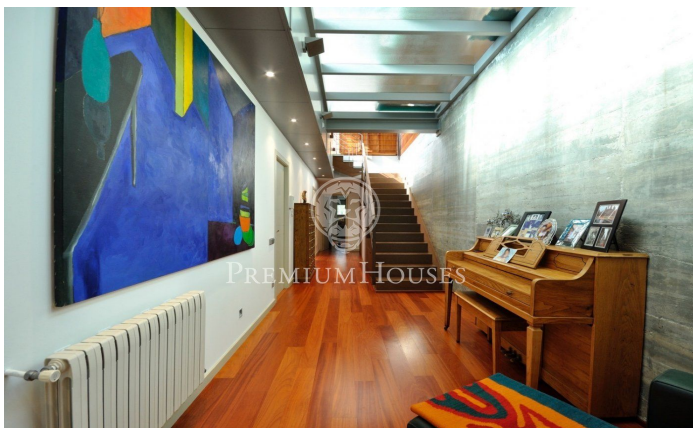

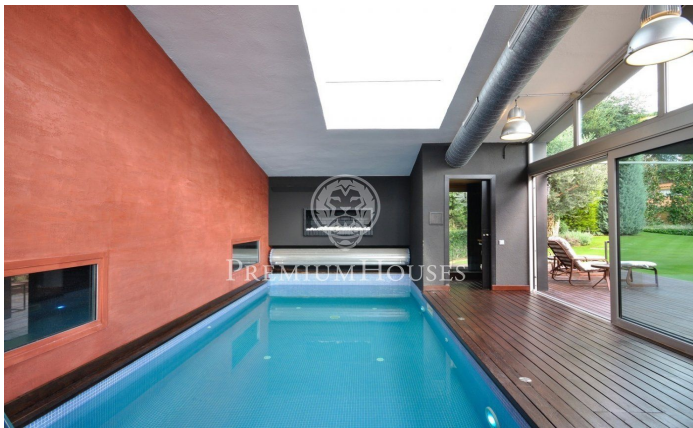

In this house of modern construction has been careful to detail both its design, distribution and its quality. Excellent finishes and technically perfect, to achieve maximum comfort in the home. In addition to a design of straight lines of large interior spaces and communicated with each other, its location and orientation are unbeatable. The house is distributed over two floors and its design is designed to achieve maximum privacy. On the main floor, the wide hall separates the kitchen and service area from the dining area, lounge, terrace with sea views, office and indoor pool. On the lower floor, the bedrooms are distributed with independent exits to the garden. From the entrance to the property we see its distribution in two areas, the house itself and the garage area for three cars with the annex guest apartment composed of bedroom, bathroom, kitchen and living room. It also highlights the indoor pool and garden very careful with trees, palm trees and even a golf putt all highlighted with beautiful night lighting.
