

Renovated Fishermen's House for Sale in the Center

Ref: PHS100932

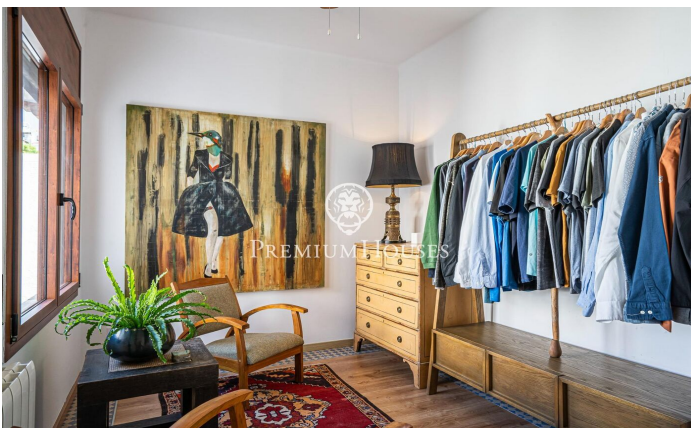

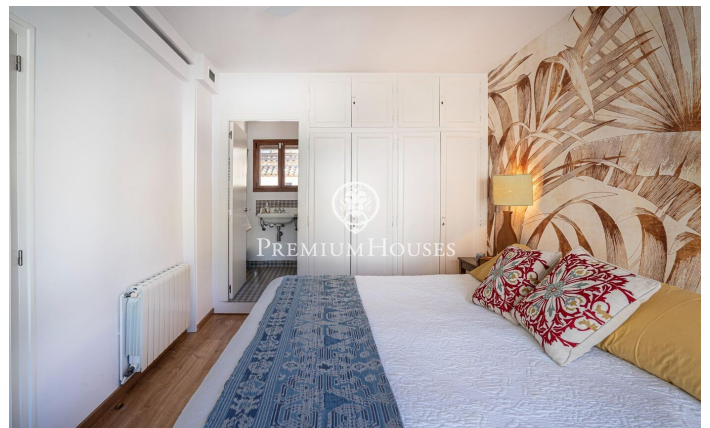

Centre / Sitges

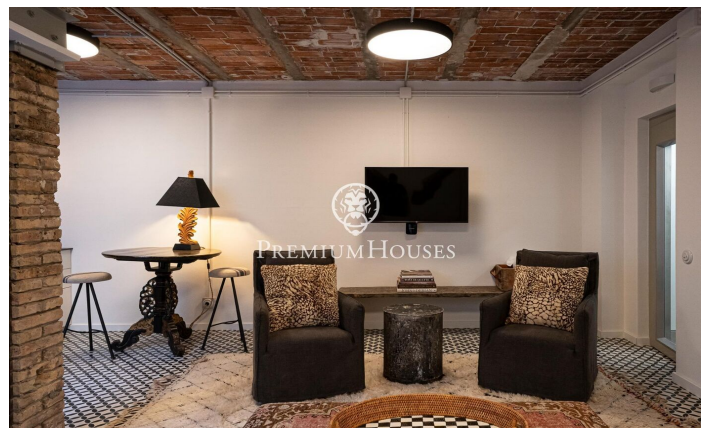

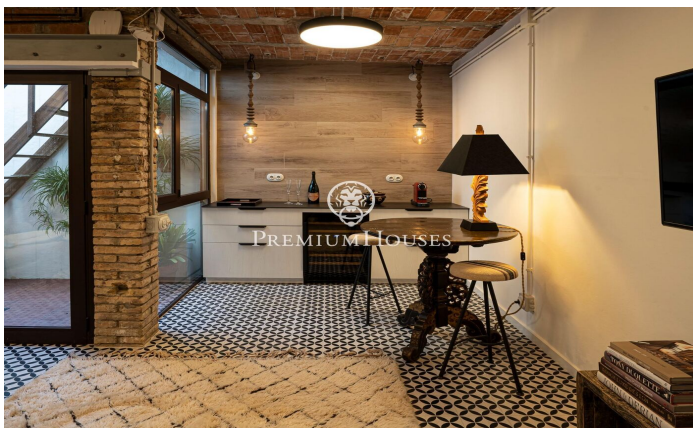

Charming fully renovated four-story fishermen's house for sale in the Center of Sitges. It stands out for its outdoor space, its large size and its natural light. The house offers a lot of space, spanning four floors and all of them are connected by an elevator. On the first floor we find the day area. In it we have a cozy hall that leads us to a spacious living-dining room with fireplace and an open kitchen. We find on the same floor a large room and a bathroom with a shower. On the second floor we find the night area. It consists of two rooms, one of them en suite and another double room. From this floor there is access to a large terrace with views of the bell tower. The third floor offers a double bedroom with its own bathroom and also offers access to a terrace. The access floor consists of two bedrooms and a guest bathroom. Next, we have a spacious studio with a guest bathroom and access to a terrace that connects to the main house via stairs or the elevator. The central area of Sitges is characterized by its close location to the beach and all the services that the town has to offer.
