Valls / Tarragona - Costa Dorada

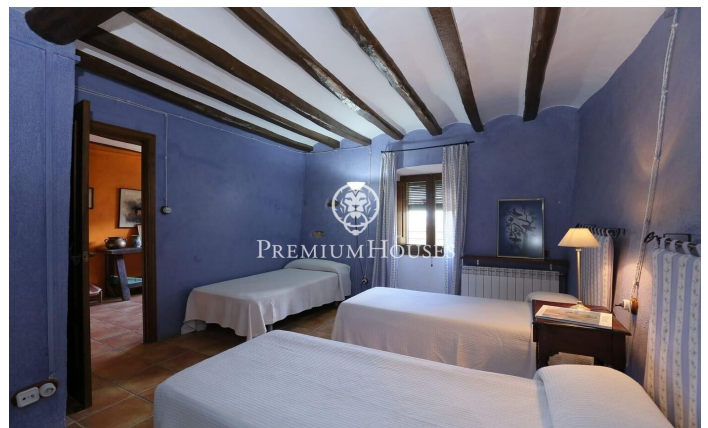

In Valls, Tarragona, we find this historic farm from the 19th century. Located in the outskirts of Valls in a quiet area with a dry and cool climate, it is ideal for permanent residence. The house is surrounded by forests, olive trees, and vineyards, which provides a natural and healthy stunning environment. In addition, Panoramic views and a large gardens are advantages that the property also enjoys. The property includes a main home, a secondary home and a small church. The main house, Villa María Luisa, has three floors. On the ground floor we have the day area with a living-dining room and a separate kitchen. On the first and second floors, we find the night area that consists of ten bedrooms and four bathrooms, as well as an office. The house also has a cellar and a storage room. The property has a rainwater collection pond on the outside with a capacity of one million liters. The secondary house, Masovería, was built in the 17th century. In 2000 it was rehabilitated as a rural tourist accommodation. The house is divided into three independent apartments. Each apartment has a living room, a kitchen, bedrooms and bathrooms. This house is also ideal for receiving guests. The apartment called Els Ceps is made up of a living room, a kitchen, two bedrooms and two bathr...
