Barcelona Coast, the best place to live
Over 2,500 hours of sun per year

The map shows the coastline of the Barcelona region. Key locations marked include Barcelona, Mataró, Sant Pol de Mar, and Siiges. It also indicates the French Borderline, Ski resorts, and the Mediterranean Sea. Distances are noted: 75 minutes to Girona, 30 minutes to Figueras, and 30 minutes to Palma de Mallorca. The text '48 Towns and villages to live seafrent' is written at the bottom of the map.

Three small photographs showing different coastal scenes: a sandy beach, a bay with a small island, and a town built on a cliffside overlooking the sea.
