

Exclusive urban flats in Rambla Cataluña

Ref: P-015660

Eixample / Barcelona Ciudad

This is an exclusive collection of 19 flats in a building that preserves the style of a traditional Eixample house, where the elements that make it unique have been refurbished. It is located in a privileged part of the city, on the stately Rambla Catalunya, very close to Paseo de Gràcia and Diagonal. An excellent area for the animation of luxury hotels, fashionable restaurants and big name shops. The project includes 2 classic buildings from the end of the 19th century, which communicate with each other, the stately entrance hall of the building and the interior courtyards have been preserved. The designer flats enjoy a brightness in all the rooms, with impeccable finishes, neutral colours and modern appliances that combine new technologies to make the most of living in Barcelona. 1, 2 and 3-bedroom flats are offered in an iconic building, with classic forged balconies and large terraces in the penthouses. The flats facing Rambla Cataluña enjoy north-east views and the flats facing the inner courtyard have a south-west orientation. The properties range in size from 60 m² to 222 m². A wide variety of options for different types of families. For more information, please do not hesitate to contact us.
